Uses

Everyday craft items are ideal for use at home or at school. Metallic products are brilliant to use in the classroom for many craft activities including collage and scrapbooking as well as for book covering. Rainbow products can be used to create stunning displays and posters plus our rainbow papers make excellent certificates! Card shapes can be used for making shop window displays and point of sale presentations stand out. Black Paper and card works well with gel pens and can be used with our Cellophane range to make impressive lanterns.

Who Uses It

Everyday Craft items can be used by all ages. Metallic and Rainbow products are used in schools during art lessons and at home. Card Shapes work well in conjunction with point of sale displays in shop windows or on market stools.
